

Adopt-an-EV
Sponsor an Environmental Volunteer in the Classroom
 September 1st thru December 15, 2009

Adoptable EV: _____

08-09 School Year Statistics

_____ Number of Children Taught
 _____ Number of Services Taught

We invite you to adopt an EV and sponsor them in our Teach-a-Thon. By pledging a donation based on the number of hours or the number of children 'your adopted EV' will teach from September through December 15th, you will support science education in local schools, as well as help open children's eyes to the wonders of nature. All contributions are tax deductible.

Thank you for helping us teach kids to love nature and learning!
